

EDUCATION

Maharaja Surajmal Institute | Bachelor of Computer Applications | Majors: Computer Science | GPA: 9.3/10 (Top 1%) Jul'19 – Aug'22

WORK EXPERIENCE

3 years 2 months

KPMG Global Services | Analyst | Knowledge Management | Gurugram May'24 – Present

Led cross-functional projects in across 12 sectors team demanding 360-degree stakeholder management & played key role in business development.

Key Projects

- Created a new SPO list where we migrated data from legacy excel and added Power Automate flow to get updates if any changes are made and multiple pages to get input effectively and efficiently.
- Created a new repository for sector contacts including people from across the globe and regularly monitoring and pulling the contacts in respective pages.
- Create Power Apps + Power Automate solution for harvesting assets that helped save 1500 hrs. annually and then use the data to build a PBI report that highlighted the KPIs as well.
- Create multiple new newsletters and comms for individuals across KPMG.
- Create repository for metrics and data for engagement metrics across assets and making and managing in dashboards.

Business Development

- Saved more than 1000 hrs. in operational efficiency within first 6 months of joining and receiving a KUDOS award.
- Catered to more than 100 RFP and RFI requests across 16 sectors and LOBs.
- Designed power automates flows to migrate redundant manual processes resulting in saving of 1500 hrs.
- Undertook complete contact management system for more than 5000 KGS members.
- Upload 5000+ content assets and cater onshore client RFP and RFI requests.
- Built more than 50 internal site pages according to KPMG design standards and incorporating content as required.
- Assisting the research team with data collection and reporting on more than 10 projects.
- Manage repository with over 30,000 assets, constantly adding new assets and updating data in PBI.

Key Achievements & Recognitions

- Awarded 'KUDOS' for displaying exceptional efficiency and applying lean six sigma methodology saving more than 2000 hrs. annually.
- Earned the 'Super Team' award for hosting and organizing employee council events for wider KGS group.
- Received 'Ally of Inclusion' accolade, recognizing commitment to cultivating an inclusive work environment.
- Awarded 'KUDOS' for migrating legacy practices using VBA and Excel to more GenAI focused using agents and Power Platform.
- Awarded 'Gurus@Work' for contributions to learning culture in KGS while empowering and inspiring learners.

GlobalLogic Technologies Private Limited | Associate Analyst | Content Engineering | Gurugram Sep'22 – Oct '23

Take part in various content generation and manipulation projects from clients like Google and Microsoft.
